### BOOKING REQUEST

Please indicate your **preferred sessions below by numbering in order from 1 – 3.**

Thank you for your understanding that we have a limited number of seats available in each session. We will do everything we can to accommodate your first preference wherever possible. In turn, we appreciate your understanding that owing to a limited season we may be unable to accommodate requests and may need to offer an alternative preference.

The duration of the performance is 105 minutes without interval, with the suggested audience being Year 5 - Year 12. We appreciate for Home School families, arranging care for younger family members may not be possible. Please let us know if children younger than Year 5 will be attending with you so that we can arrange seating to support this, including prams where appropriate.

We ask that a maximum of 2 adults per family attend the performance to allow us to maximise seating opportunities. If attending as a larger group, the ratio for schools has been advised as 1:20 with a minimum of 2 adults per group if this is preferred. If you have any queries or need anything additional, please email us as below.
